

# Holy Overshadowing

## VERSE 1:

C                    G/B            Am  
O spread your wings of mercy over me  
F                    Am            G  
And guard my heart with true humility  
C                    E                    Am            Am/G  
No shadow of the darkness pressing in  
F                    C/E G            C  
Only the holy overshadowing  
E                    F                    G                    C  
Underneath your wings, overshadowing

## VERSE 2:

No refuge will I seek but God alone  
No hiding place save only at your throne  
Only the cross, the blood to wash my sin  
Only the holy overshadowing  
Underneath your wings, overshadowing

## CHORUS:

F    G    C/E  
*You are my shield and my glory*  
F    G    Am  
*You are the lifter of my head*  
F                    G/F    C/E  
*And though the storms may rage around me*  
F                    F                    C/E G            C  
*I'll be safe within, beneath the holy overshadowing*

## VERSE 3:

No burden on my back too hard to bear  
Only the easy load you bid me wear  
Until these troubles pass, my heart will sing  
Praise for the holy overshadowing  
Underneath your wings, overshadowing
