

# Communion Song

## Capo 3 in G

**Em**                   **G**

On the night he was betrayed

**Bm**                   **Em**

As shadows gathered in

**Am**                   **G/B**                   **Dsus**

Jesus took the bread, gave thanks

**Em**                   **G**

On the night he was betrayed

**Bm**                   **Em**

Faithful he remained

**Am**                   **G/B**                   **D**

Full and perfect love to the end

**Em**                   **G**                   **Cmaj7**

*Take the bread, this is his body*

**Em**                   **G**                   **Cmaj7**

*Take the wine, this is his blood*

**Em**                   **G**                   **Cmaj7**

*God's own life given in place of us*

**Em**

*Given to ransom us*

**Am**                   **D**

*Love has welcomed us*

**Em**   **G**   **Cmaj7**

*Share his life*

Sacred signs, a table laid

Ancient memories replayed

Deliverance from death and fear

Keep us from the dark of night

O cast out the dark within

Lord we pray, forgive our sin

*Take the bread, this is his body*

*Take the wine, this is his blood*

*God's own life, forgiveness and mercy*

*Freedom from slavery*

*This is his victory*

**Em**   **G**   **Cmaj7**

*Share his life*

**Em**                   **G**                   **Cmaj7**

**Em**                   **D/F#**

**G**                   **C**

This is his covenant

**Em**

This our remembrance

**Am**

Until he comes again

**D**

We will remember him

**Bm**                   **C**

Beaten and crucified

**Em**

Buried then raised to life

**Am**

Ascended and glorified

**D**

**Dsus**   **D**

Crown him the Lord of life

**G**                   **G/B**                   **C**

**G**                   **G/B**                   **C**

**G**                   **G/B**                   **C**

*Take the bread, this is his body*

**G**                   **G/B**                   **C**

*Take the wine, this is his blood*
