

A New Day Dawning

VERSE 1:

|Em |D |
Seeking the face of the Father
|Em |D |
Wrestling in the prayer for the answer
|G |D |
Standing in faith on this mountain
|C |D |
This is the day of his calling

CHORUS:

|Em C |D |
The night is over, a new day dawning
|Em C |D |
The night is over, a new day dawning
|Em C |D |
The darkness leaving, the light is shining
|Em C |D |
The bright horizon, and God is moving

VERSE 2:

Working all night we are weary
Lord without you we are empty
Dawn on the shore he is calling
Filling the nets with salvation

VERSE 3:

Lord there is pain and great sorrow
Death and our grief in the darkness
Come to the tomb, day is breaking
Life bursting forth, he is living

BRIDGE:

|G C |D |
Lift your hands, welcome the dawn
|G C |D |
Light of hope, the day of the Lord
